Palmetto Peddlers Vendor Mall Dealer Application

How we operate is pretty basic...

There is no long term lease. We rent space on a monthly basis; rent varies by location, and we collect 10% commission on all sales. We do not charge vendors any credit card fees.

We collect and pay all sales taxes- you do **not** need a business license or permit to have a booth at Palmetto Peddlers.

Dealers are selected by management using a "juried" system. Your application must include photos of either a current space or of items you would be selling. **Applications without photos will not be considered. If you are looking to "clean out your house," this may not be for you.** Having a booth at Palmetto Peddlers requires time & dedication. We have a standard here for the very best in order to provide our customers and our community with an enjoyable place to shop. Please submit your application and photos in person, by postal mail, or e-mail at palmettopeddlers@gmail.com.

There are some restrictions on what is allowed in your booth. We look for dealers who sell antique, good, used furniture with home decor items, and vintage items; however, we are always looking for dealers with that unique twist! We discourage dealers from selling used clothing & accessories, and department store household goods.

Since 2010, Palmetto Peddlers has excelled in the Pee Dee market by showcasing dealers who are driven and dedicated to this style of business and who treat their booth as a full or part-time job. We have found that successful dealers "work" their booth a minimum of once a week, know how to buy, price, and sell merchandise.

We review all applications and photos thoroughly and keep them on file for 6 months.
